Recovery Implementation Task Force

Friday, July 19, 2019

12:30 pm - 3:30pm

Prairie Oak State Office Building
Department of Agriculture, Trade, and Consumer Protection
2811 Agriculture Drive
Madison, WI 53718

Task Force Minutes:

Members Attending: Chrissy Barnard, Joan Sternwise, Rose Barber, Paul , Mary Hamilton, Tim Saubers, Maria Hanson, Donna Riemer, Danielle Graham-Heine, Theresa Kuehl, Lalena Lampe

Guests Attending: Terry Wasnick. Douglas County area.

All introduced themselves and shared why they are involved in RITF and what it's meant to them.

Announcements: Tim- PPS training happening in Madison and needs applications. Columbia, Dane, Dodge and Green Counties. Applications close on July 24th. 6 days, 8 hours from 8-4:30. Info on the wisps.org website. Training dates Aug 21-23 and 26-28. At ATI offices. The CPS Program Assistant position is open and Tim is encouraging sharing of the posting from the website. The position is administrative in nature and not doing any direct service work. Rose-LCO had 15 applicants for CPS applications for the tribe. They required people to be able to drive and have phones. The tribe is willing to transport people to the training. Only 13 people attended the training with a couple of them from the county outside of the tribe. The MH/SUD Training conference is October 29-30 at the Kalahari.

Bob's Rules: Maria reviewed this information

Review Minutes from last: Rose motioned to approve. Chrissy 2nd. All approved

Committee Reports:

- Executive: Created the agenda in front of you.
- Membership: Only state staff are attending these. We need to have people from the actual RITF attend these. We need to focus on diversity and new voices.
 - Chair needs: Membership committee needs chairs and members. It's a phone call every other month. 3rd Friday of the months opposite the RITF meetings.
- PRQE: Paul- Ryan Stacoviak shared about the MHBG/ SABG. Explained history and outline of the block grants. Reviewed executive summaries. It's important to review the GAP survey that was sent to all RITF members. We can add or advocate for things that this group would like to see differently. Also looked at First Episode Psychosis programs and Coordinated Services model expansion. Future agenda's- talking with Mike Derr about the specifics of the SABG. Peg Algar stepped down and Chrissy is the new co-chair of the PRQE. Some members are considering joining the MH Counsel and State Council on AODA. Lynn Bigboy will be speaking with Great Lakes Intertribal Counsel about native peoples MH/SUD data and experiences in WI. The block grants have not been able to access that information in a meaningful way.
- T&E: Working on the WI CPS emerging best practice guide and updating it. Going through each domain and competency. Goal is to complete it and ask the RITF to approve or not approve the document and give ideas on how to implement and disseminate it. Still need to complete sections 3 and 4 at next meeting.

CPS Advisory Committee Update: Voted for co-chairs Ryan Ramnarance and Victoria Welle are co-chairs. Sent out a survey on committee development. Next meeting we will discuss committee structures. Reviewed CPS data with Chris Keenan. Tim shared the roles and responsibilities of different parties involved in leadership for CPSs.

Meeting Recap: Consumer Listening Session questions: Reviewed the questions as currently drafted. We will vote via 2 dots- we each get two votes for the most important questions for peers in WI. People were not clear on if we are measuring peer work, other services etc? Tim and Maria are on the planning committee for the peer conference and don't know anything about the peer conference listening session. And that is where this is supposedly happening. Photo's were taken of the questions with the vote tallies.

UW Madison is the addiction, mental health and prevention technology transfer centers. Laura Sanders wants to know about the work of the RITF so she can tailor her messaging. Maria- RITF advises the DCTS on consumer issues with MH and SUD care in WI. It's consumers and recovery oriented providers and state staff. The committees shared their work and missions with Laura. Joan- CPS and consumers don't get info on the wonderful opportunities from the ATTC. There is a Latino focused training on August 1 & 2 in Lake Geneva. The MH and Prevention components are only 1 year old. There are 3 websites- Laura will share the slides she uses and the websites are in the slides. We need to get the slides and post them to the RITF site. They do a lot of training for providers. All of their trainings and products are free as they are funded by SAMHSA. They focus on learning collaborative style and implementation

science perspective. They have in-house expertise as well. Supported Employment, Recovery Oriented Systems of Care, Motivational Interviewing, Screening Brief Intervention and Referral to Tx- SBIRT. They are very open to customizing training for the audience e.g. CPSs. Laura is the state coordinator for all 3 centers and can hook us up with opportunities. Their mission is to develop workforce. Minnesota, WI, Illinois, Ohio, Michigan, Indiana are the members of the region. She requests that we join their mailing list. This includes webinars, learning modules, lots of downloadable available. Great Lake MH, GL Addiction, and GL Prevention. Members offered ideas workforce development topics.

Action Items (list who is doing what by what timeframe):

Call for Agenda Items:

- Need new co-chairs for RITF committees. Schedule a leadership 101 training at the next meeting to help people get the skills to step up into leadership. September 27th is the next meeting. Joan Sternwies and Joann Stephens to lead it. Up to 2 hours. Request that Tim S. Talk through the roles and responsibilities within the CPS leadership structure (30 minutes).
- Future explore future listening sessions. Long term planning for this.
- November meeting=. PRQC will teach the rest of us about the MH and SA BGs. T&E will bring the CPS emerging best practices and competencies.
